
Appleman Poet Hubert Butler Lilliput Press

robert tobin, the minority voice: hubert butler and ... - lilliput press up to the appleman and the poet (2014), might lead us to overlook the anomalous position of butler within the wider fabric of twentieth-century irish and international letters. in an age of the professional academic, butler was an amateur scholar; in an age of the tightly-argued monograph, butler preferred the essay form; in an 'age of extremes', butler was a liberal
